

CONDUCT AND DRESS CODES FOR THE GRADUATION CEREMONY

The Idaho Homeschool Graduation ceremony is a time to honor both students and their parents for their efforts and achievements during their years of homeschooling. The ceremony is held in a beautiful auditorium and is attended by hundreds of people. We would like to present our graduates in the best possible light to these people, some of whom are skeptical of homeschooling. We understand that each family has its own guidelines for acceptable behavior and dress, and it is not our purpose to agree or disagree with those. However, we have chosen to set what we feel are appropriate guidelines for the students who participate, in order to avoid any offense. **Not everyone will agree with these guidelines or see the necessity of them, but we ask that each student respect the guidelines and cheerfully comply with them.**

“Let nothing be done through selfish ambition or conceit, but in lowliness of mind let each esteem others better than himself. Let each of you look out not only for his own interests, but also for the interests of others.” Philippians 2:3-4
